07 November, 2003

Dear Monash Alumni,

MUAAS has had a wonderful year, culminating with September's "big four" events, the Annual General Meeting, the MUAAS Dinner & Dance, the Monash Graduation Ceremonies and the "White Rose" performances at the Esplanade.

At the AGM, a new management committee was elected. I thank the members for their confidence in re-electing me as President. With the able support of the committee, your goodwill and some luck, I hope to be able to complete the task of renewal.

The new committee has already hit the ground running. I am pleased to announce that MUAAS has concluded an agreement for the provision of secretariat and consulting services to the Association. This service will commence on 1st December. As your committee members are all volunteers with full-time occupations and busy family and social lives, the secretariat will relieve us of some routine, but nevertheless essential tasks, and enable us to concentrate on shaping the present and future of MUAAS.

In October, several of the committee attended the Annual Dinner & Dance of the Australian Alumni Singapore at the invitation of its President, Mr Alfred Shee. We thank Alfred and the AAS for their generosity. This month, MUAAS will be joining the Adelaide University Alumni Association when they host a management seminar entitled "High Performance Leadership" to be presented by the Chief Psychologist of the Australian Olympic Team, Mr Graham Winter. In December, we plan to organize a Christmas party. Our Activities Officer, Anne Yim, is working on the arrangements. We hope this will be a combined event with one or more of our sister Australian alumni associations. More information will be communicated to you as soon as we work out the details.

Please feel free to contact me or any of the committee members if you have any questions, suggestions or comments.

Warmest regards,

Dr. Lim Shun Ping
President, MUAAS
