

Monash University Alumni Relations

Greetings to all Monash alumni in Singapore,

Congratulations to all who joined 'Team Monash' in the recent 2006 Standard Chartered Singapore Marathon, particularly if you ran or walked a 'personal best'. Over 200 runners and volunteers participated and it was a truly special day for all involved. Thanks to the many volunteers and also to our very vocal cheer squad who motivated participants to keep going.

A wrap-up summary of the event, including some fabulous photos, is now available on the [Alumni Relations website](#). We look forward to an even bigger presence in 2007.

Monash University Alumni Association Singapore is planning a range of additional activities for 2007. The first event to kick off 2007 will be a networking dinner on Thursday 1 February, which will be free for all alumni members. Keep this evening free in your diary as more details will be provided in the new year. We look forward to your attendance, and please feel free to pass on this invitation to other Monash alumni you know but who may not be on our email list.

Monash University Alumni Relations and the Monash University Alumni Association Singapore wish you the very best for the festive season and a happy and prosperous year ahead. We thank you for your contributions and involvement in 2006. We are well underway with preparations for an expanded alumni relations program in 2007, and look forward to your involvement.

With best wishes,
