

The Monash University alumni program provides opportunities for alumni to engage with students. It is in this context that we would like to bring this forthcoming event to your attention.

On Thursday 21 June, Monash University International Student Support will host a Pre-departure Briefing for students commencing study in Semester 2, 2007.

The briefing will be held at the Hilton Hotel, 581 Orchard Road, Singapore between 7.30pm and 10.30pm.

Members of the Monash University Alumni Association Singapore (MUAAS) will deliver a presentation to the audience. After this there will be opportunities for you to talk to students, share your experiences as alumni of Monash University and answer any questions that students may have before they leave for their studies in Australia.

We would be delighted if you were able to join us for this occasion. RSVP at your earliest convenience to Ms Dallas Fisher via email at [dallas.fisher@adm.monash.edu.au](mailto:dallas.fisher@adm.monash.edu.au) or by phoning +61 3 9903 4611.

We look forward to seeing you at the event.

Yours sincerely

Ms Leonie Boxel  
Director, Alumni Relations  
Monash University

Mr Barathan Kumaran  
President
