

We, at Monash University Alumni Association of Singapore (MUAAS), will like to take this opportunity to welcome the new students of mid-year '07 to the Monash family!

Some gems of wisdom from your fellow Monash students & graduates:

- You're there to study but make it an enriching journey – experience Australia ☺
- Talk to the locals, join in the activities & learn more of their culture
- Make lots of new friends! Best place to start? At the Student Orientation of course.
- Check out the international clubs on-campus! Their events are for Int'l students just like you.
- Use this opportunity to explore 'Down Under' with friends – visit Sydney, Gold Coast, etc...
- There's always someone to turn to – Friends, Uni Counsellors & Student Clubs
- Oh, don't forget about your friends & family in Singapore. Can't live without them...

A Selection of Monash Uni International/Singapore Student Organisations & Clubs

They will be helping out at your campus orientation & also at the O-Week events. Make sure you ask about the ever-popular "Monash International Big Day Out" event during the orientation!
